### Brief summary of conditions; refer to competition rules on the website for full details.

\* "Open" competitions may be entered by any member and are open to all topics. All images gaining awards are considered for special topic trophies at the end of the year. Results in open competitions are the primary determinant of promotion between grades.

\*\* C Grade competitions may be entered by C Grade members only. They are open to any topic.

\*\*\* Audio visuals may not exceed 5 minutes in length.

Prints must be mounted unless specific competition rules otherwise provide.

Print mounts may not exceed an overall dimension of 20" / 508mm on the longer side nor 16" / 406mm on the shorter.

Print entries should be accompanied by a JPG file no larger than 1024 pixels wide nor 768 high for projection and archiving.

Projected images (P.I.) may be either JPG files no larger than 1024 pixels wide nor 768 high, or slides in 50 x 50mm mounts.

(Before re-sizing digital files please set them to 72 dpi. This does not affect the image characteristics but aids adding captions etc at a consistent size.)

## Christchurch Photographic Society - Programme 2010

| Competition Hand-ins, Regular Wednesday Meeting Programme, Final Night |                              |                                  |
