A workshop will be held at Beckenham Service Centre(Christchurch South Library) on Saturday 14th August from 9am to 4pm

Ron Willems will present a Photoshop Workshop. He will work on the images provided by the attendees in the course and cover a multitude of tools within Photoshop. This workshop will be also suitable for those with Photoshop Elements. A laptop will not be required.

This is a workshop for up to 30 participants who will have their own image enhanced or altered with one aspect of Photoshop. It will be a real learning experience for all, with attendees participating in discussion.

Do look at Ron's website which has an array of wonderful images he shares with all who are interested.
